# Current Topics in Forest Health - 2009

Animals, plants, insects, and diseases can sometimes impede reforestation, wildlife habitat, or other forest stewardship goals.

An upcoming program, titled *Current Topics in Forest Health*, will update forest owners, operators, and natural resource professionals on methods to improve forest health, according to the following agenda:

---

## Program Agenda - 2009

- 8:00 am Check In Opens
- 8:30 am **Douglas-fir Tussock Moth Populations are on the Uptick: Update and Review:** *Tom Eckberg*, Idaho Department of Lands
- 9:30 am **Creating Planting Sites with Backpack Sprayers:** *Joel Fields*, Wilbur-Ellis Company
- 10:15 am Break
- 10:45 am **Using Endophytic Fungi to Manage Invasive Plants and Forest Diseases:** *George Newcombe*, University of Idaho Department of Forest Resources

11:45 am **Lunch (on your own)**

1:00 pm **How Invasive Species Move Through Riparian Areas:** *Tim Prather*, University of Idaho Extension

1:40 pm **Milfoil and other Aquatic Invasive Plants:** *Tom Woolf*, Idaho State Department of Agriculture

2:20 pm **Zebra and Quagga Mussels and Similar Aquatic Invasive Organisms,** *Amy Ferriter*, Idaho State Department of Agriculture

3:00 pm **Close**

Society of American Foresters continuing forestry education credits: 5 hours, Category 1.

Idaho Pro-Logger credits: 5 credits.

Idaho Dept. of Agriculture pesticide recertification credits: 5 credits.

---

## Registrations

*Current Topics in Forest Health* will be held on Friday, December 11, at the Coeur d'Alene Inn (located off Interstate 90 at Hwy 95 exit) in Coeur d'Alene. A \$15 registration fee covers handouts and refreshments.

The program can accommodate up to 100 people, so please return the registration form on the back of this flyer as soon as possible, to assure your place and help us plan. For program registration questions, contact the UI Kootenai County Extension Office (446-1680). For program content questions, contact *Chris Schnepf* at the same number.

A similar program, titled *Current Topics in Farm and Forest Health*, will also be held in Orofino on Thursday, December 10, 2009. For details, contact *Randy Brooks* (208-476-4434).
